

Physics 303: Classical Mechanics

Instructor: Eric Kramer office: Fisher 118 phone: x7476

Class Meets: F113, MWF 11:10 – 12:05 pm

Text: *Analytical Mechanics* 7th ed, by Fowles and Cassiday

Website: <http://www.simons-rock.edu/~ekramer/phys303>

Attendance: The policy of Simon's Rock for a class that meets three times per week is:
2 absences = written warning. 4 absences = suspension.

Grading: Homework (25%), two exams (25% each), final (25%).

Homework: You are free to work with other students provided that: (1) you list the names of all collaborators on your paper and (2) the work turned in should be in your own words (no copying!). Points will be deducted from late homework.

Exams: If you are going to be absent from an exam, you must make prior arrangements with me.

Office Hours: TBD. If these times aren't convenient, you can always make an appointment. For quick questions, send me an e-mail at ekramer@simons-rock.edu
